The Just Win Open 9 Ball Team represented the San Gabriel Valley APA well at this year's National Team Championships in Vegas. The team finished 9th out of 287 teams. This squad fought through tough matches, team skill level jumps, and was only 3 matches away from winning it all. Air Barrels couldn't get started in the open 8 ball division, dropping their first 2 matches, finishing 257th out of 614 teams. Thank you Just Win and Air Barrels for fighting hard. Congratulations all around!
