Event: National 9 Ball Open Doubles Qualifier

Marvin Mankins and Mia Mankins

8 Teams showed up in hopes of grabbing a national 9 Ball Open Doubles Spot for the upcoming APA Team National Championships. The husband and wife team of Mia, and Marvin Mankins had a shaky start but caught fire midway through their opening match. The team was the lowest cap team in the field and was thoroughly surprised as they plowed through the field to snap up the national spot. Congratulations, The Mankins are Vegas bound!
