### This Is How We Roll In The SGV!

After 2 grueling days of pool at the 2008 South West Challenge. Our boys from the SGVAPA (Jose Munoz, Zeke Trejo, and Martin Barragan) bested a field of 333 teams from California, Arizona, Nevada, and New Mexico to bring home our first South West Challenge Championship. They also lined their pockets with a cool \$3600 clams. We had 6 other teams playing the main event. 4 teams finished 97<sup>th</sup>. Jon Balan, Eric Alcalde, and Johnny Ngo finished 65<sup>th</sup>. Joe Martinez, Michael Quizon, and Efrain Orozco finished 33<sup>rd</sup>. Congratulations to all that played the main event, minis, as well as all those who came up to support our peeps. Other main event participants were John Israel, Dawn Tarver, Daniel Mohrman, Scott Diaz, Francisco Gonzales, Shannon Blanton, Paul Joko, Mindy Park, Pinky Shah, Shannon Jeffers, Same Musa, and Mark Villa.

The champions celebrate a great win.
